

## Product data sheet

### Characteristics

## ZS-WPF35A

### 35A 440V Surface Mount Four Pole Isolating Switch IP65

#### Main

|                           |                           |
|---------------------------|---------------------------|
| Range of Product          | NOVA Weather Proof Series |
| Product or Component Type | Isolating switch          |
| Devise Short Name         | ZS-WPF35A                 |

#### Complementary

|                     |                              |
|---------------------|------------------------------|
| Rated Power         | 35A                          |
| Ratings             | AC-23; 440V                  |
| Number of Pole      | 4P                           |
| Rated Frequency     | 50 /60Hz                     |
| Method of operation | Independent manual operation |
| Width               | 82mm                         |
| Height              | 170MM                        |
| Depth               | 90mm                         |

#### Environment

|                                       |                     |
|---------------------------------------|---------------------|
| Ambient air temperature for operation | 10-40°C             |
| IP degree of protection               | IP65                |
| Standards                             | EN IEC 60947-3:2021 |
